

ABU RAIHAN BISWAS

Kolkata, West Bengal | 9093647489 | aburaihanbiswas2@gmail.com | linkedin.com/in/abu-raihan-biswas-337141383

PROFILE

Electronics and Communication Engineering student with an interest in electronics, embedded systems, VLSI and emerging technologies. Seeking opportunities to strengthen technical expertise through hands-on projects, research and industry experience, with a long-term interest in advanced studies and research.

EDUCATION

B.Tech in Electronics & Communication Engineering Aliah University	3rd Semester CGPA: 7.6/10 Expected 2029
Higher Secondary (Science) WBCHSE	2024 85.2%
Secondary WBBSE	2022 88%

TECHNICAL SKILLS

Programming	C (Basic)
Engineering Tools	MATLAB (Basic)
Core ECE	Analog Electronics (Basic), Network Analysis (Basic)

PROJECT

Smart Athlete Shoe | Smart India Hackathon 2025

- Proposed a wearable smart-shoe concept designed to identify potential injury risks during athletic activities and provide an early warning to the wearer.
- Developed the concept around sensor-based monitoring of athlete movement and physical loading for preventive injury detection.
- Participated in the Student Innovation Challenge at the Aliah University Internal Hackathon as a member of Team ALIAESTINE.
- Team ALIASTEIN qualified for the next round of the Smart India Hackathon 2025 selection process.

ACHIEVEMENTS

- Qualified for the next round of Smart India Hackathon 2025 with Team ALIASTEIN.

CERTIFICATIONS & TRAINING

VLSI Course Simplilearn SkillUp	June 2026
Free Embedded Systems Course Simplilearn SkillUp	May 2026
PCB Design Course Simplilearn SkillUp	May 2026
Introduction to MATLAB: Become a Machine Learning Expert Simplilearn SkillUp	March 2026
Explore Electrical Engineering Job Simulation GE Aerospace / Forage	July 2026
Cyber Job Simulation Deloitte / Forage	July 2026
Monitoring Water Quality in Lakes and Coastal Regions Using STREAM NASA ARSET	February 2026
